

### About the unit

In this unit children learn language relating to celebrations of special occasions and of their achievements in activities and games. They also learn to say the month of their birthday.

### Where the unit fits in

If Units 1 and 2 have already been covered, this unit consolidates language-learning strategies such as practising new language with a friend and repeating new words rhythmically. It provides opportunities for children to say more about themselves. Children add to their repertoire of games to play in Portuguese.

### Prior learning

It is helpful if children already know:

- how to play party games such as Musical Statues and Stations.

### New language

- Making simple statements (about activities)
- Expressing praise
- Writing an invitation
- Asking permission
- Months of the year
- Regular *-ar* and *-er* verbs: *eu* form
- Simple adverbs
- Position of simple adverbs
- *poder*: (*eu*) *posso?* (asking permission)
- *saber*: (*eu*) *sei* + infinitive
- *ser* (*eu*) *sou*, (*tu*) *és*
- *em* + month

### Resources

- Picture flashcards for verbs, e.g. (*Eu*) *nado bem* (see Section 1)
- Two sets of text flashcards for verbs (see above) – one large set (to go on the wall) and a smaller set (to go in a feely bag)
- DVD clip or still image of birthday celebrations
- Picture flashcards for months of the year
- Song or rhyme for the months of the year
- Feely bag
- Music for playing party games
- Writing frame for party invitation on interactive whiteboard
- Mini-whiteboards and pens
- Pen, paper and pencils for party invitations
- Skipping ropes and large balls

---

## Links with other subjects

Primary framework for literacy: speak clearly and audibly with confidence (foundation stage); write with consistency in the size and proportion of letters and spacing within and between words

PE: consolidate existing skills and learn new ones

PSHCE: listen to other people, and play and work cooperatively; recognise their worth as individuals by identifying positive things about themselves and their achievements; identify and respect the differences and similarities between people

---

## Expectations

### At the end of this unit

**most children will:** state what activities they can do well; recognise and respond to instructions; understand and use praise words; say the month of their birthday; write a party invitation from a model

**some children will not have made so much progress and will:** respond with an action, *sim/não* or single words to questions about activities they can do well; understand instructions with prompting and/or visual support; say the month of their birthday when prompted; copy a party invitation

**some children will have progressed further and will:** write and say phrases from memory, with clear pronunciation and meaning; spell most of the key vocabulary in a party invitation accurately
